MEMORANDUM FOR: Legislative Counsel
FROM: Director of Central Intelligence
SUBJECT: SSCI Annual Report

I have just completed reading the annual report of the Senate Select Committee. I'd appreciate your help on the following points:

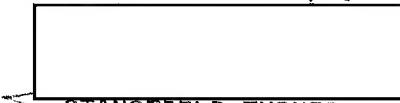

STAT

b. What is the status of the study proposed on page 11 of Soviet strategic weapons developments by Senator Stevenson's Subcommittee? Is it under way?

c. On page 18, we talk about a semi-annual report on covert action to the Senate Select Committee, and on page 20 a similar report to the NSC. When are these next scheduled? Is there a formal procedure for this?

d. On page 21, there is reference to the in-depth study of the classification system being undertaken by Senator Biden's Subcommittee. Have we seen this in action yet?

e. How do we feel about the possibility of putting paramilitary activities under the Warpowers Act (page 31)?
